

CFA COLLEGE SUCCESS (LCFA)

LCFA 2000 CFA College Success (0-1 semester hours)

This course will help students foster self-efficacy and apply holistic decision-making toward achieving academic, personal, and long-term college success. Throughout the semester students will read, write, and talk about ways to improve their opportunities of long-term academic success(i.e., goal setting, educational planning, time management, work-life balance, career exploration, developing positive attitudes, fostering meaningful instructor-student relationships, and maintain wellness).
