CFA COLLEGE SUCCESS
(LCFA)

LCFA 2000 CFA College Success (0-1 semester hours)
This course will help students foster self-efficacy and apply holistic
decision-making toward achieving academic, personal, and long-term
college success. Throughout the semester students will read, write, and
talk about ways to improve their opportunities of long-term academic
success (i.e., goal setting, educational planning, time management, work-
life balance, career exploration, developing positive attitudes, fostering
meaningful instructor-student relationships, and maintain wellness).
