

# ACCELERATED BUSINESS ANALYTICS, M.S.

---

## Program Details

Department: ISBA  
Modality: In-person  
Semester Hours:

## Background

The 4+1 Master of Science in Business Analytics (MSBA) Program is for undergraduate LMU students who wish to complete the M.S. in Business Analytics degree one year after completing the bachelor's degree. Students admitted to the 4+1 MSBA program will take up to two MSBA courses (6 semester hours) in their senior year (included in undergraduate tuition) that will count toward both the bachelor's degree and the MSBA degree. Accepted students should contact the Graduate Business Programs office for advice for scheduling classes in the senior year and the fifth year.
