

ACCELERATED ENTREPRENEURSHIP & SUSTAINABLE INNOVATION, M.S.

Program Details

Department: Entrepreneurship

Modality: Hybrid

Semester Hours: 30

Total Years: 1

The 4+1 Master of Science in Entrepreneurship & Sustainable Innovation is designed for undergraduate LMU students who wish to complete the M.S. in Entrepreneurship & Sustainable Innovation degree one year after completing the bachelor's degree. Students admitted to the 4+1 MSES program will take two MSES courses (6 semester hours) in their senior year (included in undergraduate tuition) that will count toward both the bachelor's degree and the MSES degree. Accepted students should contact the Graduate Business Programs office for advice for scheduling classes in the senior and fifth year.
