

# ACCELERATED MANAGEMENT, M.S.

---

## Program Details

Department: Management

Modality: In-Person

Concentrations: Business of Sports, Marketing, and Sustainability

Semester Hours: 32

Total Years: 9 months (full-time)

The Accelerated Master's Program (AMP) Master of Science in Management (MSM) degree is designed for undergraduate LMU students who are not pursuing a major in business and wish to complete the M.S. in Management degree one year after completing the Bachelor's degree. Students admitted to the AMP MSM program will take up to two MSM courses (6 semester hours) in their senior year (included in undergraduate tuition) that will count toward both the Bachelor's degree and the MSM degree. Accepted students should contact the Graduate Business Programs office for advice on scheduling classes in their senior and fifth year.
