## Introduction/Overview

This combined 1+1 Single Subject Preliminary Credential and Master of Arts in Transformative Education program is designed for graduate students in the Traditional (student teacher) pathway who are seeking teaching positions in grades 6-8, or in 9-12 school settings that require teachers to teach in departments. The program fulfills the degree requirements for the Master of Arts in Transformative Education and a California Preliminary Single Subject Teaching Credential in two years. Graduate Traditional Single Subject candidates are required to complete credential coursework, concentration coursework, and the research capstone sequence. The following Single Subject Preliminary credentials are offered:

- Art
- English
- Mathematics (Foundational and Fall)
- Music
- Physical Education
- Science (Biology, Chemistry, Foundational, Geoscience, and Physics)
- Social Science
- World Languages

Per Federal Regulation 34 CFR 668.43(a)(5)(v), all LMU School of Education credential/licensure programs meet the California state requirements as specified by the California Commission on Teacher Credentialing (CTC) and for the CA Board of Behavioral Sciences as appropriate. The institution (LMU) has not made a determination as to whether these credential, licensure, and professional preparation programs meet the requirements of states outside of California. If you are interested in practicing outside the state of California, it is recommended that you contact the respective licensing entity of that state to seek information or guidance regarding their licensure and credential requirements in advance to allow for appropriate planning.

## Student Learning Outcomes

As a result of this program, candidates will:

- Teach for social justice while acting as proactive agents for all stakeholders through a sociocultural and constructive paradigm
- Exhibit professional responsibility and leadership while engaging all stakeholders
- Cultivate an inclusive environment to support all PK-12 student learning
- Cultivate healthy learning environments
- Apply developmentally appropriate instruction to support all PK-12 student learning
- Differentiate authentic assessment methods in using student data to inform instruction and assist all students
