

BUSINESS GERMAN CERTIFICATE

Overview

Students interested in pursuing a **Business German Certificate** must complete three courses (12 semester hours) above the GRMN 2102 level. Students will have some flexibility in their entry for the Certificate program, depending on their initial placement test result. All students must take at least one Business German course: *Business German I*, *Business German II*, or both. The certificate offers students the opportunity to develop valuable skills in German, while understanding the nuances of German business culture. This promotes lifelong learning by equipping students with language skills that can serve them throughout their careers.
