Electives ²		6
Semester Hours		9
Summer		
ENLM 6000	Entertainment Leadership and Management Capstone	3
Semester Hours		3
Minimum Semester Hours		30

¹ This is the recommended course selection for the semester, provided it does not conflict with required classes for the student's bachelor's degree. It is the student's primary responsibility to progress to completion of their bachelor's degree, coordinating any necessary MELM substitutions with program administration.

² With program director approval, students may substitute up to 2 core courses based on prior coursework, replacing them with electives of equal credit from the same college or school where the core courses were waived. See "Requirements" page for list of approved SFTV and CBA electives.
